

NOW HIRING

Part-Time Fire Inspector Community Development Department

DESCRIPTION:

The Village of Glen Ellyn Community Development Department is recruiting for one (1) part-time Fire Inspector. The purpose of this position is to inspect commercial and multi-family residential buildings annually for compliance with fire, life safety, property maintenance, building and zoning codes and ordinances; to re-inspect where violations are noted; to initiate and follow through on code enforcement activities as warranted; to maintain accurate records and reports of inspections; and to provide responsive, courteous and efficient service to Village businesses and property owners.

ESSENTIAL FUNCTIONS:

- Inspect new and existing buildings, structures, and properties for compliance with the Village's fire, life-safety, property maintenance, building and zoning codes and ordinances.
- Perform inspections of new and existing businesses for fire and life-safety code compliance as part of the Village's business registration program.
- Document locations and conditions of hazardous material storage. Inspect such properties to ensure to ensure compliance with applicable codes, laws and regulations.
- Update and maintain records of building ownership, tenancies, construction types, occupancy use, fire alarm and fire sprinkler systems, etc.
- Determine occupancy load for commercial properties, prepare and issue occupancy load placards.
- Work with building and business owners to develop and/or review fire exit plans.
- Work with building and business owners to ensure that required testing of fire alarm and fire suppression systems is performed. Maintain records of testing.
- Prepare, issue and maintain record copies of inspections performed.
- Prepare reports as directed on a regular basis related to work activities or building conditions.
- Issue violation notices and perform follow-up inspections as required to achieve code compliance.
- Issue citations when appropriate, prepare case files and testify at administrative hearings.
- Determine if the Certificate of Occupancy and Occupancy Load placards are properly displayed in public areas.
- Inspect businesses whenever the use, occupancy or floor plan is changed.
- Perform related clerical duties of filing and ordering forms and labels.

QUALIFICATION REQUIREMENTS:

- Must possess an Associate's degree, completed Bachelor's degree preferable.
- Certification as Fire Inspector I, through the International Code Council or the Illinois Office of the State Fire Marshall required within one year of hire.
- Minimum of two (2) years of fire technology or experience in a public building or fire department performing plan reviews, and /or performing building and property maintenance inspections.
- Must possess and maintain a valid Illinois motor vehicle driver's license.
